Camp Descriptions

Adventures in Chess

Mr. Josh

Join a chess adventure with Mr. Josh this summer! This camp is designed to improve beginning and intermediate chess skills. We will focus on strategic thinking, the history of the game, fun brain teasers, and secrets of the Grandmasters! We will have daily challenges in our game play to help master the dramatic opening moves, the dynamic middle game, and the epic end game. We will play tournaments for prizes using unique chess game variations such as blitz, atomic, bughouse, king of the hill, and reverse chess. All ages and abilities from LE, UE, and MS are welcome!

Books and Fairy Tale Adventures

Ms. Nancy and Ms. Lisa

Join us for a week of fairytale adventures! Campers will engage in interactive activities, create crafts, sing songs, and embark on exciting adventures inspired by classic stories and beloved characters. Get ready for a week of enchantment and fun!

Down by the Sea

Ms. Kristina and Ms. Kathy

Dive into an ocean adventure and come explore with us from the beach to the sea! We will learn all about ocean life through creative crafts, hands-on science lessons, songs, and daily sand/waterplay. To end our week, we will make a splash with fun beach day activities.

All Sports Camp

Coach Vince and Coach Bailey

The All Sports Camp focuses on skill development, teamwork, and game strategy while fostering a love for basketball and volleyball. The basketball session enhances individual skills and team play to prepare athletes for the fall season, while the volleyball session emphasizes fundamentals, fitness, and interactive drills. Through a mix of structured training and fun activities, campers will improve their abilities, build confidence, and leave feeling more prepared and excited about their sport.

Color Adventures

Ms. Nancy

Get ready to discover the power and beauty of color through hands-on painting, exploring color theory, and creating your own masterpieces! Through exciting art projects, playful science experiments, and imaginative games, campers will unleash their creativity and develop a lasting love for color.

Down on the Farm

Ms. Kristina and Ms. Kathy

There are so many things to explore on a working farm! Campers will learn about farm life with science experiments, animals and plant life cycles, and cooking making homemade butter and apple pie! Learning will be through stories, fun activities, crafts, movement, and songs. Dressup on Friday with hats, bandanas, and overalls for a fantastically fun way to end farm week!

Around the World

Ms. Lynn and Ms. Addison

Our world is big, beautiful, and waiting to be explored. Travelers will visit seven continents in five days learning about new cultures, food, animals, and landmarks. This fun week includes crafts and activities, and you don't even have to pack your suitcase!

CreArte Bilingual Art Camp

Ms. Sessions

Join us for an exciting bilingual (English/Spanish) art camp where creativity has no limits! Young artists will explore a variety of fun and inspiring art techniques from sculpting and puffy painting to papier-mâché and more. Each project will be inspired by the works of iconic artists such as Yayoi Kusama, Frida Kahlo, and Wassily Kandinsky, blending vibrant colors, bold shapes, and personal expression. Through hands-on activities, campers will unleash their imagination while learning about art and culture in both English and Spanish.

Drum It Out

Ms. Becca and Ms Michelle

Campers will work together to build percussion skills by layering rhythms, creating drums, and recording performance pieces. They will also play games, make crafts, enjoy outdoor activities, and build community through drum circles.

Camp Descriptions

Gone Camping

Ms. Kristina and Ms. Kathy

Campers will get a feel for what outdoor camping is all about through dramatic play, art, science, campfire storytelling, songs, and games. We will learn about nature, nocturnal animals and the night sky, go on a "bear hunt", make campfire snacks, and more! So come help us pitch a tent for a fun camping adventure with friends.

LEGO Destruction

Ms. Jennifer

Join a LEGO summer camp where you get to build and destroy your LEGO creations! Every day is based on STEM learning through the creative forces of humans and the destructive forces of the universe. Learn basic STEM engineering fun while building amazing machines. Find out the true destructive power of weather and its effect on infrastructure as you create buildings that will attempt to withstand earthquakes learn the basics of physics through catapults and trebuchets to destroy each other's base. Create LEGO ships that really float, and then do battle, all week long!

Ocean Explorers

Mr. Korbyn and Ms. Arabella

Dive into a world of wonder at the Ocean Explorers summer camp! Perfect for kids with a love of marine life and ocean adventure, this week-long camp is packed with hands-on activities, creative projects, and educational fun inspired by the deep blue sea. Campers will discover the fascinating creatures and mysteries of the underwater world while making a splash with new friends.

Happy Campers

Ms. Lynn and Ms. Addison

This week of summer camp is filled with indoor and outdoor activities. Happy Campers will experience nature walks, fun crafts, scavenger hunts, and reading stories. They will build a campfire using wooden blocks and tissue paper as well as learn about the forest animals and national parks.

Little Chefs Cooking Class

Ms. Nancy and Ms. Pilar

Get ready to turn up the heat and whip up some culinary magic! Campers will explore exciting flavors and create delicious masterpieces during a week filled with sizzling fun, tasty treats, and unforgettable kitchen adventures. They will learn basic cooking techniques and discover a variety of cuisines in this hands-on camp experience.

Out in the Wild Camp

Mr. Korbyn and Ms. Arabella

Get ready for an exciting journey into the great outdoors! Children will explore nature and learn essential outdoor skills such as building simple shelters, identifying local plants and animals, and tracking wildlife through fun scavenger hunts and creating unforgettable memories with new friends. This camp is designed to ignite curiosity and foster a love for the natural world in a safe, engaging, and age-appropriate way.

Hoops and Kicks Camp

Coach Alvarez

This camp focuses on conditioning, fundamental skills, formations, positions, and drills to help campers improve their game. Through structured training and engaging activities, participants will enhance their technique, build endurance, and develop a deeper understanding of soccer and basketball while having fun!

Nature Adventure Awaits You

Ms. Nancy

Get ready to dive into nature! Campers will explore the wonders of the outdoors and uncover the amazing secrets of the natural world. They will create nature-inspired crafts, forge lasting friendships, and make unforgettable memories while learning through hands-on adventures.

Outer Space Exploration

Mr. Korbyn and Ms. Arabella

Blast off into a week of fun and discovery with the Outer Space Exploration summer camp! Perfect for curious minds and aspiring astronauts, this camp takes kids on an exciting adventure through the wonders of the universe. Packed with hands-on activities, creative projects, and interactive learning, campers will develop a love for space science while having a stellar time.

Camp Descriptions

Passport to Adventures

Mr. Korbyn and Ms. Arabella

Pack your imagination and get ready for a whirlwind adventure across the globe! The Passport to Adventure camp offers children the chance to explore different countries and cultures through fun, interactive activities. Each day, campers will travel to a new part of the world, discovering its traditions, food, music, and stories while making new friends along the way.

Shark Week

Ms. Lynn and Ms. Addison

You don't have to be near the ocean to explore sharks! During Shark Week, we will dive into learning about various shark species, what they eat, and how they live. Campers will enjoy reading engaging books, participating in hands-on activities and fun crafts, and spending plenty of time playing outside.

Sweet Creations Cooking Class

Spanish Immersion

Ms. Pilar

Immersed in the Spanish language, students will bake and decorate delicious cookies while enhancing their speaking, listening comprehension, and vocabulary skills. Each day brings exciting activities, fun surprises, and delectable summer treats, making language learning both engaging and delicious!

Roaring Dino Camp

Ms. Nancy

Roar into Dino Camp! Travel back to the age of dinosaurs for a week of prehistoric fun. Campers will dig for fossils, create dino crafts, and play interactive games. Each day brings a new adventure, filled with discoveries about different dinosaurs and unforgettable memories.

Songtales and Puppets

Ms. Becca and Ms. Michelle

In this musical week, campers will create singing puppets to go with our songtales and stories. Every day we will sing together, make puppets, and have open work times that include puzzles, arts and crafts, and a variety of hands-on activities. We will also have outdoor recess and times for outdoor music and movement.

Swiftie and Livie Fan Camp

Ms. Sessions

Calling all Taylor Swift and Olivia Rodrigo fans! This camp is the ultimate destination for music lovers to celebrate creativity, self-expression, and fun through music. Campers will make friendship bracelets, paint canvases inspired by song lyrics, and write and perform their own songs or poems. They will also sing their hearts out in karaoke, test their music knowledge with trivia games, choreograph dances to iconic hits, and even star in a mini music video shoot using props and costumes. Get ready for a week filled with music, creativity, and unforgettable memories!

Science Explorers

Ms. Kristina and Ms. Kathy

Come join our science adventure week as we introduce the scientific method through exciting hands-on, experiments and fun play. We will dive into the magic of water, whip up some cool kitchen (edible) chemistry, and uncover the mysteries of motion and energy. Mix, fizz, and bubble with exciting chemistry, stimulate the senses with tactile sensory activities, engage in outdoor exploration, and join in STEM challenges and games! It's a stimulating week of summer fun and learning while exploring the wonders of science. Come join the adventure!

Super Hero Academy

Ms. Nancy

Get ready to unleash your inner superhero and embark on a week of action-packed adventures! This camp offers more than just fun, it's a heroic learning experience. Through exciting superhero training, campers will develop essential life skills like teamwork, problem-solving, and communication. They will create their own unique superhero outfits and build confidence through imaginative play.

Camp Descriptions

The Art of Etiquette: Becoming a Manners Master Ms. Sessions

Designed to help campers develop confidence, elegance, and essential etiquette skills in a fun and engaging way, this camp focuses on practical lessons for everyday life and special occasions. Campers will master table manners, learn proper greetings and introductions, and practice setting a beautiful table for events. They will also work on posture, graceful movement, and personal style, building confidence through public speaking exercises and a mini runway.

Week at the Rec Coach O. and Coach Brenda

Come enjoy a week of recreation at MSSA! Days will be filled with adventures, sports, games, crafts, bowling, ping pong, playground fun, daily on-site bike/scooter board riding, skating, cinema, water play, and much more!!

Travel the Globe Ms. Karen

Get ready for an exciting journey across the globe! Campers will travel from Texas to South America, Europe, Africa, Asia, and back to North America, exploring the cultures, foods, and daily life of families from each continent. Along the way, they'll discover unique terrains, fascinating wildlife, and famous landmarks at every stop. Buckle up, it's time for an unforgettable adventure!

Ultimate Multi-Sports Camp Coach Vince and Coach Bailey

This exciting camp blends group games in the morning with multi-sport activities in the afternoon, giving campers a fun and active experience. Through engaging PE games, teamwork challenges, and an introduction to various sports, participants will develop fundamental skills such as improve physical fitness, and explore new athletic interests. With a focus on fun and inclusivity, this camp encourages a love for movement and active play while building confidence and sportsmanship.
